

DYNACRAFT RECALLS RIDE-ON TOYS DUE TO FALL AND CRASH HAZARDS

May 23, 2017

AMERICAN CANYON, Calif.--Dynacraft announced today an immediate and extensive investigation of the reported incident involving a 12V Tonka Mighty Dump Truck product in Bellingham, Washington.

Dynacraft has been made aware of what appears to be an isolated incident and is in the process of thoroughly investigating the matter. In an abundance of caution, the item is currently not being sold pending that investigation.

Safety is at the forefront of the Dynacraft company and an area that the Senior Management takes very seriously. Dynacraft is working around the clock in cooperation with their supplier and the Toys & R Us Management team to identify the cause.

Consumers who have purchased a 12V Tonka Might Dump Truck ride-on with safety concerns should contact Dynacraft at (800) 551-0032 or service@dynacraftwheels.com, or Toys R Us at (800) 869-7787.
